SUES FOR \$500 JUDGMENT.

Ingram Owes on Decree of 1911. A suit to revive judgment on a suit which was settled in circuit court here | March 4, 1911, was filed in circuit A boy having won sweepstakes prize court this morning by Shinabargar,

Ingram. The law firm says it received a judgment of \$500 and costs of \$9.40 against the defendant, which never was paid. A lien on property held by defendant expired a year ago. This the plaintiff seeks to revive.

# EXPORT INCREASE IS SHOWN

More Goods Shipped Out This January Than One of Year Before.

Washington, March 5 .- An analysis of America's foreign trade for January, issued by the department of com merce, showed in detail the amount of the tremendous increases in exports the Carpathians and in the Chamto many European nations and the decrease in shipments to the principal countries of Latin-American, as compared with January, 1914. No Amer ican products reached Austria during the month the report showed. Shipments to Germany showed increases as compared with the first months of

The total trade balance in favor of the United States for the month is \$145,506,996, most of which was ere ated by products of American gran aries and farms. The value of Amer Europe during January was \$7,865,795 and mules exported were worth \$1,-312,195.

#### Chicagoan Dies at 103.

Chicago, March 5 .- Michael Fiddle man died here at the age of 103 years Mr. Fiddleman was born in Sokola Russia, on Jan. 11, 1812. He never in dulged in intoxicants, pastry, sweets, but made meats, potatoes and carrots his principal foods.

### DENY PLEA FOR RATE RAISE

Railroads Hit Blow by Lower House of Missouri Legislature.

Jefferson City, Mo., March 5 .- Th house of the Missouri legislature vit tually denied the railroads' plea fo increased rates by adopting a substitute amendment to the public service commission bill, fixing the maximum passenger rate at 21/2 cents a mile when the commission after complete investigation finds such an increase necessary.

The original amendment would have authorized railroads operating in the state to charge 21/4 cents a mile imme diately and 3 cents a mile if the com mission found the latter increase nec

eate, as established by statute, is ?

FORTS IN RELAYS

Warships Keep Up Continuous Bombardment of Dardanelles.

FLEETS ATTACK

### ASSAIL NARROWS DEFENSES.

Violent Engagements Again Taking Place In Vosges-Heavy Fighting In Russian Poland and In Carpathians. German Submarine Is Sunk.

### WAR SUMMARY

pagne district and the Vosges in France, continuation of the bombardment of the forts in the Dardanelles by the Anglo-French fleet and the sinking of the German submarine U-8 by destroyers of the allied squadron off Dover are features of the campaign in the war of the na-

Russians apparently are forcing the operations to the north of Grodno, in Poland, although there are evidences that the German troops are fighting has been hand-to-hand. Particularly fierce also have been the encounters to the north, near Mlawa. Russians report the capture in the Carpathians and in eastern Galicia ore than 3,000 men and sixteen

machine guns in one day. The Austrian official statement de scribes the repulse of the Russians after a sanguinary battle on the Biala river and declares that all of the Russian attacks have been re-

iolent engagements again are taking place in the Vosges and shells from German field guns are said to have fallen in Swiss territory.

London, March 5 .- Relays of battleships keep up an almost continuous bombardment against the Dardanelles forts. They have cleared the outer straits and are now attacking the forts which line the narrows which are considered the most difficult to deal with.

The destruction of what the British admiralty calls fort No. 9 was a necessary operation before the warships as it was this fort which was designed to protect one of the mine depots of the Dardanelles. It was built at the water's edge on the European side, opposite Cape Keppez.

The British admiralty issued the following statement:

"The attack upon the fortresses in sults obtained within the straits. Outservation station on the Gallipoli peninsula and the Sapphire bombarded guns and troops at various points in battleships bombarded the Bulair tend.

Advice of Neutrals Not Wanted.

secretary's statement was arms. made in response to an inquiry from Frederick W. Jowett, whether the government was "willing to invite suggestions from neutrals with a view to avoiding the further devastation of Belgium by the great powers which are contending for its mastery."
